The Company draws attention to the fact that the use of this form by proxy and the shareholder is not mandatory. The form does not replace the power of attorney granted by the shareholder. The Company does not verify the voting carried out by proxy, i.e. it does not examine whether the proxy exercises the right to vote in accordance with the instructions received from the shareholder. Voting made in violation of this instruction does not affect the effectiveness of the act. The form contains the draft resolutions intended to be adopted by the Annual General Meeting held on 25 May 2018, together with instructions on how to vote provided to the proxy by the shareholder. In a situation where the shareholder authorizes a proxy to vote differently from the shares held by him/her, the proxy should indicate in the appropriate box the number of votes and the number of shares for which
he/she votes "for", "against" or abstains from voting. The form filled incorrectly or inconclusively will not be taken into account in the results of the vote on a given resolution.

In case of open voting, the form filled by the shareholder may constitute a voting card for the proxy. The proxy voting using the form should submit the form to the Chairman of the Annual General Meeting after the vote has been cast for a given resolution. The Chairman of the Annual General Meeting will inform the General Meeting of Shareholders on voting using the form and will take into account the ballot when counting votes cast for a given resolution. In case of a secret ballot, the form filled by the shareholder is treated merely as a written instruction on how to vote by proxy in the vote and should be retained by him/her.

For voting at the Annual General Meeting using the system of electronic voting the form constitutes the instructions for the proxy on how to vote on a given matter.
